

INTERESTED IN IMPROVING SOIL HEALTH AND CARBON SEQUESTRATION ON YOUR PROPERTY?

The California Department of Food & Agriculture (CDFA) is NOW accepting applications for the **HEALTHY SOILS PROGRAM!**

This program provides cost-share to farmers and ranchers to implement soil health practices, including compost application, cover cropping, prescribed grazing, and much, much more!

- 🌿 Ranchers, vineyards, orchards, row crops, and mixed operations are all eligible
- 🌿 The max grant amount is \$75,000
- 🌿 **Applications due March 8th**

The Ventura County Resource Conservation District will be hosting application assistance workshops to help **YOU:**

Friday, January 18th 2:30 - 3:30PM

Active Adult & Community Center, 533 Santa Clara St., Fillmore, CA 93015

Tuesday, January 22nd 2:30 - 3:30PM

Help of Ojai, 111 W Santa Ana St., Ojai, CA 93023

Thursday, January 24th 2:30 - 3:30PM

Ventura County RCD Office, 3380 Somis Road, Somis, CA 93066

Monday, January 28th 2:30 - 3:30PM

Oxnard Public Library, Meeting Room B, 251 South A St, Oxnard, CA 93030
